

THE PRACTICAL COMPARISON GUIDE

Choose the team. Check the work.

A fair way to compare local teams for your home.

Supplied finished-kitchen photo. Not a comparison of job quality.

SAME JOB / CLEAR COST / NAMED OWNER

Use real work lists and real quotes. This guide helps you see what each team will do, what is extra and who will follow up.

7 pages. Free to read, write on and share.

01 / THE RIGHT KIND OF HELP

One small job? Or a joined-up plan?

Choose the kind of help before you compare the price.

A SINGLE TRADE CAN BE A GOOD FIT

A known carpenter may suit one cupboard. A known plumber may suit one tap. Ask about that exact job and who makes good any damage.

SEVERAL JOBS NEED A CLEAR OWNER

A kitchen can need pipes, power, cabinets and paint. A full team may join these jobs. Separate trades can also work if someone plans the order.

My rooms and the work that must be done:

Who has time to make choices and join up the work?

02 / SAME FINISHED JOB

Match the work. Then read the total.

These are made-up scopes. They are not real prices or quotes.

QUOTE A: NEW CUPBOARD DOORS

Keeps the old cabinet bodies and worktop. Includes doors and handles. Pipe checks and paint touch-ups are not listed.

QUOTE B: A WHOLE KITCHEN CHANGE

Includes new cabinets, a worktop, a sink move and repairs to the wall. It is a bigger job than Quote A.

Choose which job you need. Then ask both teams to price it. Add missing work before you call one total lower.

One work list I will send to both teams:

03 / WHO OWNS THE TASK?

Name the person.

Name the check.

A single phone number is useful only if the duties are clear.

Supplied wardrobe photo. Sizes, shelves and fittings all need a plan.

EXAMPLE: A NEW KITCHEN CABINET

Who checks the final size? ____

Who checks pipes and power first? ____

Who says the wall is ready? ____

Who checks the fitted cabinet? ____

Task / person / what must be ready first:

With separate trades, you may be that person. With a full team, ask which tasks it owns in the written plan.

04 / MATERIALS AND CHANGES

Write it down.

Agree each change.

A colour name alone does not tell you what will be fitted.

RECORD ONE ITEM

Item and size: ____

Board name, grade and thickness: ____

Finish and approved sample: ____

Hinges, drawers and handles: ____

Delivery and fitting included: ____

Use a clear change note

Write the old item, the new choice, the cost change and the effect on dates. Agree it before ordering or doing the extra work.

Payment stage / amount / work due at that stage:

05 / FIT AND FOLLOW-UP

Look at the proof. Keep the next step.

Use this for us and for every other team you meet.

CHECK THE TEAM, NOT JUST THE NAME

Ask to see real work like yours. Ask who did it, who will visit your home and how the team will report progress. Read the work list and exclusions.
