

THE PRACTICAL COMPARISON GUIDE

Two home plans. One clear choice.

Compare a branded proposal and a local team fairly.

Supplied finished living-room photo. Not a Livspace project.

SCOPE / PROMISES / FIT

A planner for two real proposals. Match the rooms and items. Check what each promise covers. Choose the plan that fits your home and your time.

01 / YOUR DESIGN CHOICES

See the choices. Set the brief.

Both routes can help with interiors. Check the exact offer.

A BRANDED DESIGN JOURNEY

Livspace offers design help and an experience centre in Sargasan. This may suit you if you want to see samples and use its design and order process.

A LOCAL HOME-WORK PLAN

Gandhinagar Services offers local renovation, carpentry and turnkey work. This may suit linked repairs and room changes. Ask what design help your scope includes.

Time I can give to choices and site checks:

02 / ONE HOME, TWO PLANS

What can stay?

What needs changing?

Made-up example: a family updates an older kitchen.

PLAN A: KEEP SOUND PARTS

Keep suitable cabinet bodies, flooring and service points. Change chosen doors and fittings after the site checks. This is a selected update.

PLAN B: REPLACE THE KITCHEN

New cabinets and worktop, a changed layout and agreed pipe or power work. This is a larger job. Compare it with the same larger scope.

Keep / repair / replace, room by room:

For a new flat, the useful plan may be different. Ask both teams to show what your chosen room plan includes.

03 / DATES AND WARRANTY

Which items? Which conditions?

A headline is a starting point. Your order terms decide the cover.

TEST A TIME PROMISE

Livspace advertises a 45-day claim for specified modular work, with conditions. Ask if your civil work and full-home scope are covered, and when the clock starts.

Test a warranty promise

Livspace cover varies by item and terms. Our site has no blanket lifetime promise for every job. For either team, ask for the exact written cover.

Start condition / agreed dates / excluded work:

04 / MATCH THE DETAILS

Same item list.

Clear extra costs.

Fill this in from the quotes, not from a headline package price.

PROPOSAL A AND PROPOSAL B

Rooms, items and measured sizes match: ____

Boards, finishes and fittings match: ____

Repairs and service work shown: ____

Delivery, fitting and tax shown: ____

Owner-bought items separated: ____

Payment stages and changes clear: ____

A simple way to compare

Mark each item: included, extra, not needed or unclear. Ask about unclear items. Then compare the total for the same finished home.

Extra work / amount / reason / approval needed:

05 / YOUR DECISION

Your home. Your best-fit plan.

There is no one best choice for every family or every job.

WHEN EACH ROUTE MAY HELP

A branded process may fit if you value its samples, design journey and written product cover. A local team may fit if you want selected repairs and linked home changes.

Make the choice on real facts

Look at relevant completed work, the named site contact, your work list, exclusions, dates and follow-up. Ask Gandhinagar Services for a free renovation estimate to compare.

Choice / reason / trade-off I accept:

Fact still to confirm before I appoint the team:
