

THE PRACTICAL COMPARISON GUIDE

Find a few names. Choose with care.

A useful next step after a search or a referral.

Dining-space inspiration image. Not a claim about a listed provider.

SHORTLIST / ASK / CHECK

Use this guide to turn a list of names into one clear home-work brief. Check the person doing the job, the quote and the follow-up.

7 pages. Free to read, write on and share.

01 / FINDING AND DOING

A place to search. A team to appoint.

Justdial helps you find businesses. Ask who will do your work.

WHAT A SHORTLIST CAN DO

Compare names, contacts and reviews. Speak to more than one provider. A provider you find there may offer one trade or a full project team.

WHAT STILL NEEDS YOUR CHECK

A listing is not your work agreement. Ask about a site visit, who gives the quote, who takes payment and who will answer after the work.

Provider name / contact / job they will take on:

You can shortlist Gandhinagar Services too. Use the same checks for our quote and any other quote.

02 / CHECK THE PROVIDER

Useful clues. Then real proof.

A review of one small job may not tell you about a full home.

01 Ask about the job behind the review

Was it a tap fix, one cupboard or a whole flat? Was it recent?
Ask to see genuine work that is close to your own need.

02 Ask about the person attending

Check the business name, site contact and payment details.
Ask who plans the work and who handles a fault or an unfinished item.

YOUR CHECK NOTES

Relevant work shown: ____

Who did that work: ____

Person due at my home: ____

Workmanship and product terms: ____

03 / COPY AND COMPLETE

Show the room. Name the job.

Send the same brief to each team before asking for a quote.

MY HOME-WORK BRIEF

Area and kind of home: ____

Room and problem to solve: ____

What stays / changes / is added: ____

Photos and rough sizes shared: ____

Building access and work hours: ____

Budget range / desired dates: ____

Ask for a site-based answer

Photos help a first talk. Hidden pipes, uneven walls and final sizes may need a visit. Ask what the quote assumes and what still needs a check.

Visit charge / when it is waived / what it includes:

04 / A QUOTE EXAMPLE

Same room. Different work lists.

Made-up example: repair a loose cabinet door near a sink.

Cabinet-repair inspiration image. Not a provider case study.

ASK WHAT THE REPAIR COVERS

One quote may only adjust the hinge. Another may replace the hinge and repair the damaged fixing area. Check what has caused the fault first.

Repair / parts / fitting / making good / tax:

Ask both teams to price the same agreed repair. A lower first total does not prove the same finished job costs less.

05 / BEFORE YOU BOOK

Choose the provider. Keep the agreement.

A search result does not replace a clear home-work plan.

BEFORE PAYING, RECORD

Business and named contact: ____

Approved work list and exclusions: ____

Payment stages and receipts: ____

How extra work gets approved: ____

Faults and follow-up contact: ____

Where our team may fit

Gandhinagar Services may suit local home work when you want to discuss repairs and linked renovation jobs with one team. A strong provider found on Justdial may suit those needs too.

My choice / reason / fact still to confirm:
